

TO ALL FLEET VESSELS

Ref: DMA-SAPID/DMADGM/00/C1155

Date: 2021.11.28

In The Name Of God

Dear Captain(s).
Good Day,

Please be informed that recently during cargo hold washing operation on board one of company vessels, unfortunately one crew member losses his life due to electrical malfunction while he was handling Cargo Light.

meantime, in order to avoid reoccurrence of similar events, Immediate inspect attached check list to make sure all related equipment are working safely and in good order.

Pl's find attached file "**Cargo Light Checklist**" for your kind attention and necessary precaution measures.

You are requested to confirm receipt, discuss the contents in the Discussion in first management Meeting, Proper Maintenance of Cargo Lights and Extension Cables, Training of crew members for safe handling and securing cargo lights, periodical inspection, using appropriate cargo light types, ... to be mentioned& keep a copy in the file DA-11 .

Pl's cfm safe rcv of msg by return.
