*Dear Captain,
Good Day,*

Please note we have recently received many complaints from our security guards that on board different vessels, ships' staff or members of T5 teams have taken photos and/or movies during embarkation /disembarkation operation of security guards. Due to security reasons, such action shall be strictly avoided.

Therefore you are kindly requested to promulgate and instruct esteemed masters of vessels receiving security guards, to observe the above and avoid the reoccurrence of the same practise.

You are requested to confirm receipt, discuss the contents in the next consolidated meeting on board & keep a copy in the file DA-11 .
