Dear Captain
Good Day,

Pls note a Concentrated Inspection Campaign (CIC) on vessel's Auxiliary Machinery will commence from 01/06/2018 to 31/08/2018 in Vina Del Mar PSC MOU region (in Latin and South American ports) using the attached check list.

As per info received from PMO, same checklist will also be used by FSC inspectors in Iranian ports to ensure vessels' condition and readiness for this campaign.

Based on above, you are kindly requested to arrange necessary actions including followings during the campaign period:

- Prior to calling any Iranian ports, the attached checklist shall to be used to verify vessel's readiness for the inspection. Any defects or shortcoming shall be immediately rectified by ship's staff and if necessary to be reported to relevant SM department for timely rectification.
- Prior to calling any ports in Del Mar MOU region (in Latin and South American ports), the attached checklist shall be used to verify vessel's readiness for the inspection. Any defects or shortcoming shall be immediately rectified by ship's staff and if necessary to be reported to relevant SM department for timely rectification.

In order to have a successful inspection, it is essential to perform additional checks on condition of auxiliary machineries, emergency machinery, cleaning of engine room and to ensure that ship's staff are well familiar with operation procedures specially emergency operations of machinery and proper record keeping of all relevant operations are being maintained

You are requested to confirm receipt, discuss the contents in the next consolidated meeting on board & keep a copy in the file DA-11.

Best Regards,
